Sir:

I, DOUGLAS G. EVANS, represent that I am Chief Operating Officer of KENSEY NASH CORPORATION, the assignee of the entire right, title and interest in and to the above-entitled application, and that I have authority to make this Terminal Disclaimer on behalf of KENSEY NASH CORPORATION.

KENSEY NASH CORPORATION is a corporation organized and existing under the laws of the State of Delaware and has a place of business at Marsh Creek Corporate Center, 55 E. Uwchlan Avenue, Suite 504, Exton, Pennsylvania 19341.

KENSEY NASH CORPORATION hereby disclaims except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154

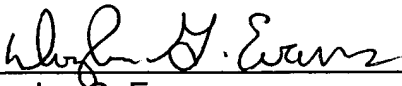

to 156 and 173 as presently shortened by any terminal disclaimer, of prior Patent No. 5,980,548. KENSEY NASH CORPORATION hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, KENSEY NASH CORPORATION does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
